Madam Ajeet Cour,
Dear Madam,

We the Sri Lankan team led by Mr. Thameera Manju who took part in the recently concluded FOSWAL literary festival, would like to express our sincere thanks for you and your team including Madam Arpana for the excellent program conducted over four days from 10-13 of November 2024. We had a wonderful stay in Noida. The residence was equal to a five-star hotel. Our food was delicious. The transport was timely in a luxurious bus. We were overwhelmed by your hospitality. We have no words to thank you.

We learnt a great deal about poetry. We met friends from other SAARC countries and made many bridges. The books given at the festival are very interesting.

You have gone out of your way to arrange a sight seeing tour on the 13th to take us to show Delhi fort and for shopping. We are very grateful to you for all this.

We stayed in India until 28th and had many more literary interactions in Agra, Hyderabad, Pune and Chennai. We look forward to continuing the good work in the future. We wish you good health, happiness and longevity.

Yours sincerely,

Dr Prasad Pittigala Arachchi (team member)

On behalf of Mr. Thameera Manju and the Sri Lankan team
